SUPPLEMENT TO  
REPORT NO.

25X1X .

On 10 July 1951 a small gunboat of General LU Wei-hsiang's guerrilla force engaged several Communist motor junks near Tuhuan Island (121-13, 28-09). One Communist junk, 1 light machine gun, 3 M161-38 rifles, 1 Thompson sub-machine gun, and several hundred rounds of ammunition were captured. One Communist was killed and five were captured. One man was wounded on the gun-

General FANG Tsiang-i, commander of Tach'i Island (121-15, 28-29), has declared that General LU Wei-hsiang is very uncooperative and is attempting to assume control of guerrillas on Tach'i Island.
